Three-year action plan development

HIGHLAND PARK PUBLIC SCHOOL DISTRICT

1. Individualizing learning experiences for each student and improving the quality of education.
2. Facilitating student and class involvement in field and service experiences and fostering partnerships to utilize local resources.
3. Providing equal opportunities for all students and promoting students' social-emotional well-being.
4. Fostering student's collaboration skills and creating engaged global citizens who are knowledgeable about issues pertaining to social justice and fighting prejudice
