

Honeywell Update- October 1, 2015

Good evening Highland Park. This is Dr. Taylor, your new schools Superintendent.

I spent my first day in the school district getting to know your kids and their teachers. What I've already discovered is that there are amazing things happening in our schools. I would love to share the great things our support staff, teachers, and leaders are doing in the halls and classrooms of Irving, Bartle, and the Highland Park Middle and High Schools.

To this end, I will be taking to social media and the Honeywell message system to provide all of you updates about the district. You will receive a Honeywell message from me each Wednesday evening at 7 PM. Of course, Facebook will still be a great way to stay in the loop so please check the district's page regularly. The school district will also be activating its Twitter and Instagram accounts starting this Monday October 5. Our Twitter handle is @hpschoolsnj and our Instagram handle is highlandparkpublicschools. Start following your kids' schools on Monday!

That's it for now. Have a good evening; I'll speak to you next Wednesday night.
